Tuition-free College Scholarships for Eligible Essential Workers

Dealers are asked to pass this information along to employees....

Governor Whitmer reminds eligible essential workers that there is still time to apply for a Futures for Frontliners scholarship. The deadline to apply is December 31, 2020.

Futures for Frontliners is a state scholarship program for Michiganders without college degrees who worked in essential industries during the state COVID-19 shutdown in spring 2020 (April 1 – June 30). This scholarship provides these frontline workers with tuition-free access to local community college to pursue an associate degree or a skills certificate, either full-time or part-time while you work.

To be eligible, you must:

- Be a Michigan resident
- Have worked in an essential industry at least part-time for 11 of the 13 weeks between April 1 – June 30, 2020
- Have been required by their job to work outside the home at least some of the time between April 1 – June 30, 2020
- Not have previously earned an associate or bachelor's degree
- Not be in default on a Federal student loan
- Complete a Futures for Frontliners scholarship application by 11:59 pm on December 31, 2020

We encourage those who may be eligible to look into the program and apply if interested in pursuing an associate degree or a skills certificate.
